**Subject:** RE: Anacostia Trash TMDL Decision and Next Steps

Hello Jennifer,

DOEE and MDE staff have conferred and suggest that we take the following steps to revise the Trash TMDL:

- Request EPA task their TMDL development contractor (TetraTech) to lead the effort in revising the TMDL
- MDE and DOEE will collaborate with the EPA contractor to develop a revised interjurisdictional TMDL
- The TMDL would create a near zero goal, that would be defined (potentially as equal to the baseline load); EPA's contractor to develop ideas/approaches of defining zero
- MDE and DOEE would provide data on loading to revise the baseline and on current implementation activities
- A menu of practices would be included to provide reasonable assurance that the TMDL would be met through implementation

We look forward to continuing the conversation.

Best,  
Jeff

Jeffrey Seltzer, PE

**Subject:** RE: Anacostia Trash TMDL Decision and Next Steps

Hi Everyone,

Thank you for meeting with us on Monday April 9<sup>th</sup> to discuss the Anacostia Trash TMDL decision and next steps. I think the discussion was very helpful. Please remember to send any strong opinions regarding appeal by today April 13<sup>th</sup> and any thoughts on next steps by next Friday April 20<sup>th</sup>. Please let me know if there are any questions. We look forward to working with you on this TMDL. Thanks, Jen

Jennifer Sincock, TMDL Coordinator
